Kramer Building, Middle Campus, University of Cape Town

The 2015 Refresher Course will take place from Thursday 26th to Saturday 28th November 2015 at the Kramer Building, UCT.

We are delighted to announce a top-class faculty will be heading up the academic programme, including world renowned speakers that we are in the process of inviting.

The comprehensive programme includes a series of workshops and teaching sessions, and will run over three days. The venue is the Kramer Building, Middle Campus, UCT and as usual there will be a trade exhibition.

On behalf of the organising committee I would like to invite you to be part of this exciting event. Stands will be available as has been the case in the past but exhibition space will be limited. I urge you to select and book a stand as soon as possible to avoid disappointment. A standard size stand is 2m x 2m and will cost a mere R24 000.00 excluding VAT.

A host of other sponsorships, sessions, visiting professors etc are available for branding.

Our Trade Liaison and Organiser is Catherine Taylor.
